The Bulletin. PARAGRAPHS. America's favorite poet, George W. Childs, A. M., in order to avoid any further vexatious interruption of his labors for the dead, has given notice that he will receive callers at his place of business in the afternoon only.

—Many recent discoveries have been made on the area of ancient Chaldaea, whence Huxley thought civilization came. Fifteen centuries before Christ there were baked bricks by Kiln Shergat.

—The officers of the S. P. C. A. have arrested a man who had such new and entirely original ideas about animal sensibility that he tried to fatten his horse during several days on splinters from a wooden trough.

Rubber and Caprine. There is scarcely a branch of human industry in which India Rubber has not in some form found its way.

It has also been discovered that India Rubber possesses all the properties valuable as a specific for Pulmonary complaints and cure many forms of Consumption and Lung Disease.

The only objection ever found with the ordinary Rubber Porous Plaster is that it acts too slowly—requiring days and sometimes weeks to relieve pain or to effect a cure.

Before the erection of Railroads, Cairo had a commanding position as a center of commerce in the West.
